Specifications

APC Replacement Battery Cartridge for Smart-UPS Line Interactive, 12V 17Ah lead-acid battery, 2-year repair or replace warranty

RBC55

## Main

|                           |                                                                                                |
|---------------------------|------------------------------------------------------------------------------------------------|
| Product or component type | Replacement battery cartridge                                                                  |
| Number of cables          | 1                                                                                              |
| Battery type              | Lead-acid battery                                                                              |
| Provided equipment        | All required connectors<br>Battery recycling guide<br>Reusable packaging<br>Installation guide |
| Range of product          | Replacement Battery Cartridges                                                                 |

## Batteries & Runtime

|                                        |   |
|----------------------------------------|---|
| Number of battery free slots           | 0 |
| Number of battery filled slots         | 0 |
| Number of battery replacement quantity | 2 |

## Physical

|                |                    |
|----------------|--------------------|
| Colour         | Black              |
| Height         | 173 mm             |
| Width          | 142 mm             |
| Depth          | 183 mm             |
| Net weight     | 24.27 kg           |
| Mounting mode  | Not rack-mountable |
| USB compatible | No                 |

## Environmental

|                                       |              |
|---------------------------------------|--------------|
| Ambient air temperature for operation | 0...40 °C    |
| Operating altitude                    | 0...10000 ft |
| Relative humidity                     | 0...95 %     |
| Ambient air temperature for storage   | -15...45 °C  |
| Storage altitude                      | 0...15240 m  |
| Storage Relative Humidity             | 0...95 %     |

## Packing Units

|                        |     |
|------------------------|-----|
| Unit Type of Package 1 | PCE |
|------------------------|-----|

Disclaimer: This documentation is not intended as a substitute for and is not to be used for determining suitability or reliability of these products for specific user applications

|                              |           |
|------------------------------|-----------|
| Number of Units in Package 1 | 1         |
| Package 1 Height             | 27.700 cm |
| Package 1 Width              | 29.500 cm |
| Package 1 Length             | 53.800 cm |
| Package 1 Weight             | 26.680 kg |

## Contractual warranty

|                      |    |
|----------------------|----|
| Warranty (in months) | 24 |
|----------------------|----|

## Environmental Data

Schneider Electric aims to achieve Net Zero status by 2050 through supply chain partnerships, lower impact materials, and circularity via our ongoing “Use Better, Use Longer, Use Again” campaign to extend product lifetimes and recyclability.

### Environmental footprint

|                                                        |                                               |
|--------------------------------------------------------|-----------------------------------------------|
| Total lifecycle Carbon footprint                       | 169 kg CO2 eq.                                |
| Carbon footprint of the manufacturing phase [A1 to A3] | 91 kg CO2 eq.                                 |
| Carbon footprint of the distribution phase [A4]        | 4 kg CO2 eq.                                  |
| Carbon footprint of the installation phase [A5]        | 2 kg CO2 eq.                                  |
| Carbon footprint of the use phase [B2, B3, B4, B6]     | 2 kg CO2 eq.                                  |
| Carbon footprint of the end-of-life phase [C1 to C4]   | 70 kg CO2 eq.                                 |

## Use Better

### Materials and Substances

|                                                |                                                                                        |
|------------------------------------------------|----------------------------------------------------------------------------------------|
| Average percentage of recycled plastic content | 15 %                                                                                   |
| Packaging made with recycled cardboard         | Yes                                                                                    |
| Packaging without single use plastic           | Yes                                                                                    |
| EU RoHS Directive                              | <a href="#">Compliant</a>                                                              |
| REACH Regulation                               | <a href="#">Reference contains Substances of Very High Concern above the threshold</a> |

## Use Again

### Repack and remanufacture

|                                 |                                                                                                                                                                                                                 |
|---------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Recyclability potential, in %   | 1                                                                                                                                                                                                               |
| End of life manual availability | <a href="#">End of Life Information</a>                                                                                                                                                                         |
| Take-back                       | No                                                                                                                                                                                                              |
| WEEE Label                      |  The product must be disposed on European Union markets following specific waste collection and never end up in rubbish bins |
